

## Our surprise visitor

Birch Class had a wonderful surprise this week in the form of a real- life Disney character Rapunzel! She had become lost in our school and needed to find her way back to her tower in which she had been kept as a prisoner. The children were thrilled and asked Rapunzel lots of questions to try to help her. Birch Class decided that after Rapunzel had gone they could use this visit to help with character descriptions in English. From this they constructed a descriptive mind map of Rapunzel using a wide variety of adjectives.
