

St.Hilda's Mile a Day

As part of our healthy school lifestyle, St.Hilda's are taking part in the 'Mile a Day' fitness regime every day. We start of as a team of two classes in each year and complete a mile around the junior playground. Hopefully by the end of the year we will have collectively ran to Land's end in CORNWALL! We collect lollipop sticks to show how many laps around the playground we have completed and we have already had some personal bests being beaten. Wish us all luck!
