

Badgers and Foxes had a wonderful time at Salford Museum, learning all about life in Victorian times.

They played with toys from that era and discovered how clothes were washed when there were no washing machines. They explored a Victorian cobbled street and saw a blacksmiths, cloggers, grocers and toy shop. They saw how rich and poor people lived and the transport that they used. The children had a fantastic time and it has helped to them to understand what life was like in Victorian times.
